

Latest Ghana Schools to Benefit from CARE

CARE is continuing to have an impact on children's education across Ghana.

Some of the latest schools to benefit include The Most Holy Heart School in Dansoman, Accra: Director of Education, Mrs Beatrice A. Obro opening the new ICT centre at The Most Holy Heart School.

In Mampong-Akwapim, a specialist school for deaf children now has 10 computers to assist in learning: Mampong-Akwapim Senior High School for the Deaf

A student uses a computer for the first time to type her name. At Ghana National College, CARE has now installed a total of 50 computers over a period of several shipments: CARE volunteers installing computers at Ghana National College.
